

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

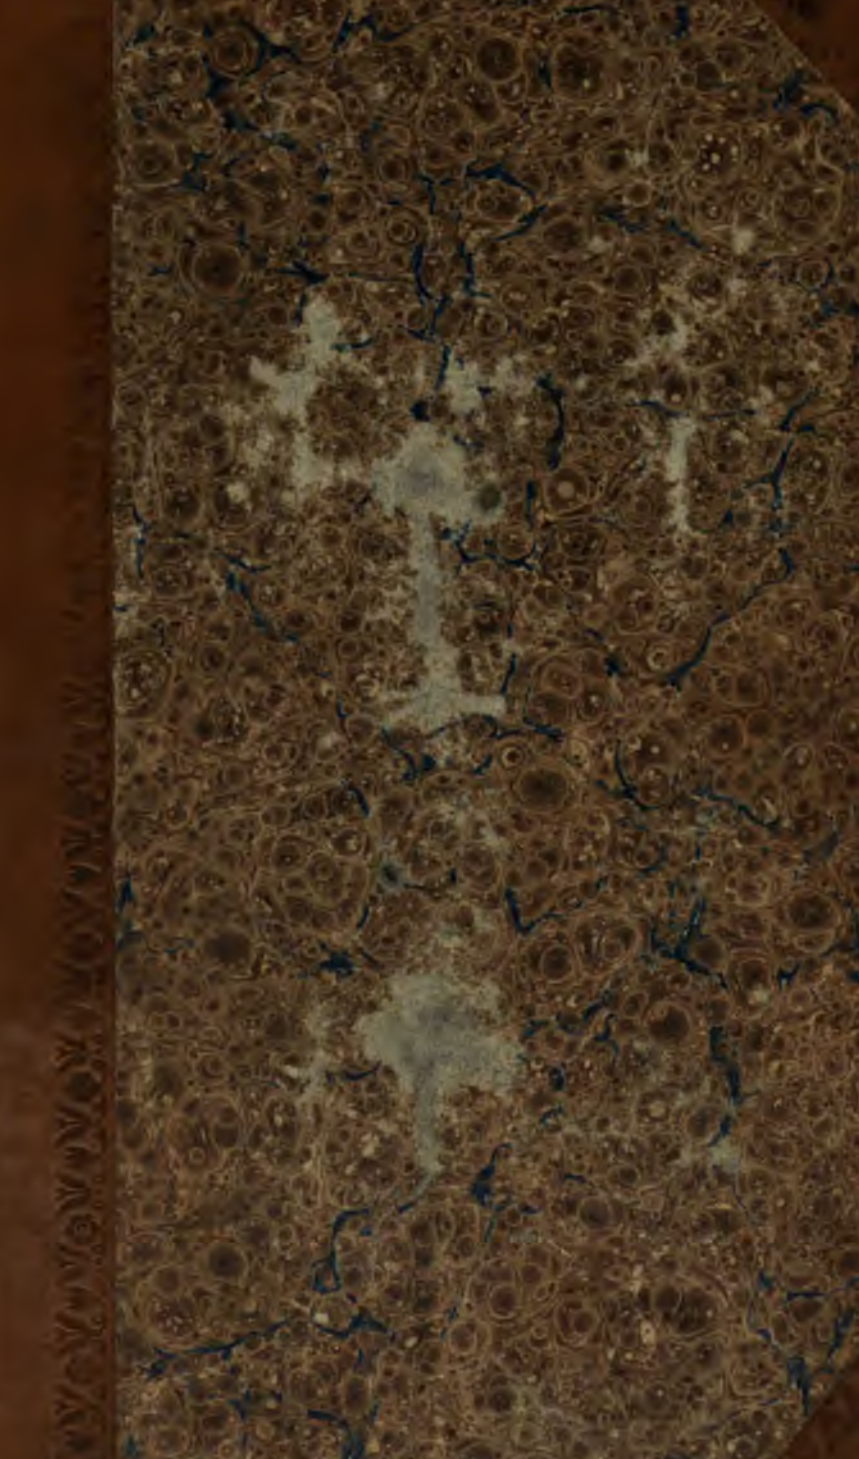

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

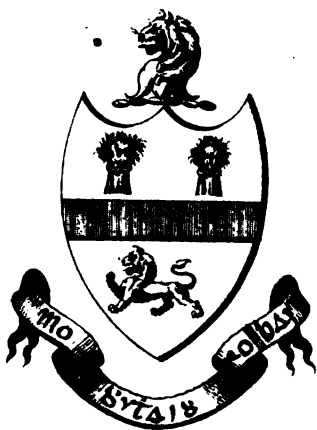

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Grand Jury Orders.

Ordered by the Grand Jury—That all Presentments on the County establishment shall be handed to the Secretary to the Grand Jury on the first day of each Assizes, as none others will be received but such as are handed in by him, regularly classed under their respective heads of services.

It is Ordered—That all persons who desire to offer themselves to fill the office of High Constable for any of the Baronies of this County, are requested to furnish the names of their respective Securities, one month previous to each Assizes, to the Secretary of the Grand Jury and the Treasurer of this County, in order that those Officers may be prepared to report upon their solvency.

And also—That a like Notice of ONE MONTH be given by any person seeking to contract as a Supervisor of any road or roads, specifying the particulars thereof; and that the Secretary to the Grand Jury do enter the same in his Schedule for the information of the County.

Ordered—That, in future no Measurer of any road can be an Accounting Overseer.

That no more than 2s. 6d. per day be allowed for a Man and Horse; 10d. per day for each Man; and 5d. per day for Women and Boys—and if any Accounting Affidavit shall come to, or be lodged in the Secretary's Office, which may be filled out of it, in which any sum exceeding the sums aforesaid shall be charged, he is hereby directed to change every such item to the sums herein before mentioned.

Ordered—That in future the Treasurer do not issue his Warrant to any Collector of Public Tax, without first obtaining the Certificate of the Grand Jury, or of their Secretary, of such Collector's having duly entered into the Security required by law.

Ordered—That no person shall in future be admitted to account for any Contract Road or Presentment, but the Person or Persons to whom the Contract or Presentment was originally granted.

Ordered—That in future the Collectors of Baronial Tax shall not be allowed any insolvencies in their accounts, inasmuch as Lands are always productive; and any sums not collected by such Collectors are in future to be returned as Arrears and not as insolvencies, to be re-presented and levied off the respective lands owing same.

Ordered—That the several Collectors of Public Cess who shall not have paid into the Treasurer, two days before each Assizes, the full amount of the sums for which they have received the Treasurer's Warrant, pursuant to Act of Parliament, be no longer continued as Collectors.

SPRING, 1826.

Resolved—That we deem it expedient in all Supervisorships to direct that where there shall be more than one line of road, or different lines or braches of road under Supervisorship, that separate Affidavits be prepared and laid before the Grand Jury in future of the actual expenditure or sum laid out on *each line* or branch; and we direct our Secretary to observe this Order on preparing such Accounting Affidavits, notwithstanding all said roads being in the same Barony.

SUMMER, 1826.

Resolved—That the Medical Attendant of each Dispensary shall in future adhere strictly to the form of Account referred to in the Affidavit of the Treasurer, by specifically detailing the various items of expenditure under their respective heads, and that such Medical Attendant do make Affidavit in the following words :—

*I have laid in for the use of _____ Dispensary,
£ _____ worth of Medicine and other Articles, as
per Account furnished and Vouchers produced; and I have
not, and will not, use part of the said Medicines for any
purpose whatsoever, but for the use of the said Dispensary.*

That a copy of the above Resolution be sent to the Committees of the different Dispensaries of this County, and that their attention be requested by the Grand Jury to the charge for Midwifery in some of their accounts, which they conceive forms a part of the duty of the Medical Attendant.

Resolved—That the High Sheriff be requested to furnish a list of the Green Wax Processes now issued, and which may be issued during his Sheriffalty, to the Secretary of the Grand Jury, in order that the Grand Jury at the next Assizes may be enabled the better to make the recovered fines under such Processes available to the expence of the Constabulary force of this County; and it is suggested to the future Grand Juries of this County, to make a similar request to each succeeding Sheriff.

Ordered—That superannuated Police applying to the Grand Jury for salary, shall send in to the Secretary of the Grand Jury a Certificate of their having presented themselves to the nearest Magistrate, within one week at least of the Assizes, and Certificate to be handed to the Grand Jury.

SUMMER, 1829.

It appearing to us that a list of persons has been from time to time prepared, contrary to the Act of Parliament, as Candidates for the Police, we recommend that a new list shall be made out, and that the names of Persons recommended by Magistrates at Quarter Sessions only, shall be placed on said list, in conformity with 3 Geo. IV., cap. 103, s. 1.

That we adopt the above Report, and direct the Secretary to communicate it to the Magistrates of the County.

We order and direct that an additional Turnkey be appointed by the Board of Superintendence to the County Gaol, and that the Board make such other necessary improvements as they shall think wanted for the protection of that Prison.

SPRING, 1830.

Ordered—That Mr Shearman be now appointed to print the Schedules and Presentments, pursuant to his proposal of 2s. 4d. per page, for the term of five years from this Assizes.

Ordered—That the Secretary do not in future receive any Contractor's Accounting Affidavit until every such Contractor enter into the Security and Bond required by Law for the due performance of their contract.

Ordered—That all Printing be done by Contract; and that the Secretary to the Grand Jury shall be empowered to enter into such Contracts on the most reasonable terms until the next ensuing Assizes.

Ordered—That two Presentment Books be prepared in future, one for the Baronies, and another for the County at large.

The Committee, to whom was referred the Accounts of the Police, have examined the same, and find them correct.

The Committee cannot make this report without calling the attention of the Grand Jury to the encreased number of Police stations in this County, by which the effective state of the Establishment is diminished, and at the same time a heavy expence entailed on the County; and they recommend to the Grand Jury to submit the same to the Magistrates in Quarter Sessions assembled, with a view to some alteration.

The Committee also beg leave to call the attention of the Grand Jury to the age of some of the Police Constables, who will shortly apply for Superannuation on account of age and infirmity, they having been appointed beyond the age required by the Police Act; and they recommend that the Inspector-General be requested to make a return at Summer Assizes of the age of all Police Constables on the Establishment, by whom recommended, and when appointed.

DUNCANNON.

The Clerk of the Peace to write to the Magistrates at the next Quarter Sessions for the County, pursuant to the above recommendation, relative to the Police Stations, and the Secretary to write to the Inspector-General relative to the age of Police Constables.

For self and fellows,

RICHARD COX, Foreman.

Note—When the road to which any Supervisor is appointed runs into two or more Baronies, separate Affidavits and Accounts should be made for each Barony, in order that the money should be fairly levied on the Barony in which the work has been done.—And the Grand Jury have ordered separate Affidavits to be laid before them for the expenditure on each line or branch road, though in the same Barony, and under the one Supervisorship, in order to ensure an equal expenditure (if necessary) on each line.

Grand Jury Orders.

Ordered by the Grand Jury—That all Presentments on the County Establishment shall be handed to the Secretary of the Grand Jury on the first day of each Assizes, as none others will be received but such as are handed in by him, regularly classed under their respective heads of services.

It is Ordered—That all persons who desire to offer themselves to fill the office of High Constable for any of the Baronies of this County, are requested to furnish the names of their respective Securities, one month previous to each Assizes, to the Secretary of the Grand Jury and the Treasurer of this County, in order that these Officers may be prepared to report upon their solvency.

And also—That a like Notice of ONE MONTH be given by any person seeking to contract as a Supervisor of any road or roads, specifying the particulars thereof; and that the Secretary to the Grand Jury do enter the same in his Schedule for the information of the County.

SUMMER, 1822.

Ordered—That in future no Mesurer of any road can be an Accounting Overseer.

That no more than 2s. 6d. per day be allowed for a Man and Horse; 10d. per day for each Man; and 5d. per day for Women and Boys—and if any Accounting Affidavit shall come to, or be lodged in the Secretary's Office, which may be filled out of it, in which any sum exceeding the sums aforesaid shall be charged, he is hereby directed to change every such item to the sums herein before mentioned.

Ordered—That in future the Treasurer do not issue his Warrant to any Collector of Public Tax, without first obtaining the Certificate of the Grand Jury, or of their Secretary, of such Collector's having duly entered into the Security required by law.

Ordered—That no person shall in future be admitted to account for any Contract Road or Presentment, but the Person or Persons to whom the Contract or Presentment was originally granted.

Ordered—That in future the Collectors of Baronial Tax shall not be allowed any insolvencies in their accounts, inasmuch as Lands are always productive; and any sums not collected by such Collectors are in future to be turned as Ar-rears and not as insolvencies, to be re-presented and levied off the respective lands owing same.

Ordered—That the several Collectors of Public Cess who shall not have paid into the Treasurer, two days before each Assizes, the full amount of the sums for which they have received the Treasurer's Warrant, pursuant to Act of Parliament, be no longer continued as Collectors.

SPRING, 1826.

Resolved—That we deem it expedient in all Supervisorships to direct that where there shall be more than one line of road, or different lines or branches of road under Supervisorship, that separate Affidavits be prepared and laid before the Grand Jury in future of the actual expenditure or sum laid out on each line or branch; and we direct our Secretary to observe this Order on preparing such Accounting Affidavits notwithstanding all said roads being in the same Barony.

Resolved—That the Medical Attendant of each Dispensary shall in future adhere strictly to the form of Account referred to in the Affidavit of the Treasurer, by specifically detailing the various items of expenditure under their respective heads, and that such Medical Attendant do make Affidavit in the following words :—

not, and will not, use any part of the said Medicines for any
purpose whatsoever, but for the use of the said Dispensary.*

That a copy of the above Resolution be sent to the Committees of the different Dispensaries of the County, and that their attention be requested by the Grand Jury to the charge for Midwifery in some of their Accounts, which they conceive forms a part of the duty of the Medical Attendant.

Resolved—That the High Sheriff be requested to furnish a list of the Green Wax Processes now issued, and which may be issued during his Sheriffalty, to the Secretary of the Grand Jury in order that the Grand Jury at the next Assizes may be enabled the better to make the recovered fines under such Processes available to the expense of the Constabulary force of this Country; and it is suggested to the future Grand Juries of this County, to make a similar request to each succeeding Sheriff.

Ordered—That superannuated Police applying to the Grand Jury for salary, shall send in to the Secretary of the Grand Jury a Certificate of their having presented themselves to the nearest Magistrate, within one week at least of the Assizes, and such Certificate to be handed to the Grand Jury.

Ordered—That all Dispensary Treasurers shall in future attach to their Affidavit of Subscriptions paid to them, an account of the Expenditure and State of the Funds of such Dispensary, for the guidance of the Grand Juries, previous to the presenting for such establishment.

SUMMER, 1829.

It appearing to us that a list of persons has been from time to time prepared, contrary to the Act of Parliament, as Candidates for the Police, we recommend that a new list shall be made out, and that the names of Persons recommended by Magistrates at Quarter Sessions only, shall be placed on said list, in conformity with 3 Geo. IV. cap. 103, s. 1.

That we adopt the above Report, and direct the Secretry to communicate it to the Magistrates of the County.

We order and direct that an additional Turnkey be appointed by the Board of Superintendence to the County Gaol, and that the Board make such other necessary improvements as they shall think wanted for the protection of that Prison.

SPRING, 1830.

Ordered—That Mr. Shearman be now appointed to print the Schedules and Presentments, pursuant to his proposal of 2s. 4d. per page, for the term of five years from this Assizes.

Ordered—That the Secretary do not in future receive any Contractor's Accounting Affidavit until every such Contractor enter into the Security and Bond required by Law for the due performance of their contract.

SUMMER, 1830.

The Committee appointed by the Grand Jury to investigate into the claim of George Wright, Jun. a Superannuated Police Constable, report to the Grand Jury, that they have referred to the Act of Parliament under which he claims, and have attentively read over the correspondence between Lord Duncannon, Mr. Gregory, and Major Browne, Deputy Inspector General, and do report to the Grand Jury that, they consider George Wright has a just and fair claim to a pension.

The Committee appointed by the Grand Jury upon the Police Establishment, recommend the following men to be discharged (without pension) from said Establishment, they having been appointed contrary to the Act of Parliament, 3 Geo. 4, c. 103, s. 24, viz.—

THOMAS FITZGERALD,
JOHN BUDDS,
MATTHEW DARMODY,
LUKE FLOOD,
BRIAN MURPHY.

The Committee at the same time recommend that it would be but fair and just that one years notice of such intention should be given, and that in case the men discharged have sons capable and properly qualified to fill the office of Constable, they should be appointed in the place of their Fathers.

The Committee further recommend John Holmes having served for 28 years in the former and present Establishment, and having always been a well conducted man, as a fit subject for Superannuation.

The Committee having examined the Constabulary Accounts, find them perfectly correct for the half year ending the 30th June, 1830.

We present and appoint a Porter to the County Goal, at a salary of £20 per Annum.

Ordered—That the Magistrates at Petty Sessions, ascertain the lowest rate of rent necessary to be paid for their accommodations, on the several Court Houses.

Ordered—That the Treasurer be ordered not to pay any Contractor who has not entered into the Securities as directed by the Grand Jury.

Ordered—That all Dispensary accounts be presented at the Summer Assizes only.

We direct the Treasurer to pay to Sir T. Esmonde, Bart. John Hawtrey Jones, William Newport and Francis Wyse, Esqrs. Overseers to a presentment on the County at large, to make 1077 perches of road from Waterford to Ross, the instalments now due, and those that shall become due.

Ordered—That when Magistrates disagree on any presentment at Special Sessions, the names of those who approve and disapprove be placed opposite the presentment on the Schedules of Applications.

The Committee appointed by the Grand Jury upon the Police Establishment, recommend the following men to be discharged (without pension) from said Establishment, they having been appointed contrary to the Act of Parliament, 3 Geo. 4, c. 103, s. 24, viz.—

THOMAS FITZGERALD,
JOHN BUDDS,
MATTHEW DARMODY,
LUKE FLOOD,
BRIAN MURPHY.

The Committee at the same time recommend, that it would be but fair and just that one year's notice of such intention should be given, and that in case the men discharged have sons capable and properly qualified to fill the office of Constable, they should be appointed in the place of their Fathers.

The Committee further recommend John Holmes, having served for 28 years in the former and present Establishment, and having always been a well conducted man, as a fit subject for Superannuation.

The Committee having examined the Constabulary Accounts, find them perfectly correct for the half year ending the 30th June, 1820.

Grand Jury Orders.

Ordered by the Grand Jury—That all Presentments on the County Establishment shall be handed to the Secretary of the Grand Jury on the first day of each Assizes, as none others will be received but such as are handed in by him, regularly classed under their respective heads of services.

It is Ordered—That all persons who desire to offer themselves to fill the office of High Constable for any of the Baronies of this County, are requested to furnish the names of their respective Securities, one month previous to each Assizes, to the Secretary of the Grand Jury and the Treasurer of this County, in order that those Officers may be prepared to report upon their solvency.

And also—That a like notice of *One Month* be given by any person seeking to contract as a Supervisor of any road or roads, specifying the particulars thereof; and that the Secretary to the Grand Jury do enter the same in his Schedule for the information of the County.

SUMMER, 1822.

Ordered—That in future no Measurer of any road can be an Accounting Overseer.

That no more than 2s. 6d. per day be allowed for a Man and Horse; 10d. per day for each Man; and 5d. per day for Women and Boys—and if any Accounting Affidavit shall come to, or be lodged in the Secretary's Office, which may be filled out of it, in which any sum exceeding the sums aforesaid shall be charged, he is hereby directed to charge every such item to the sums herein before mentioned.

Ordered—That in future the Treasurer do not issue his Warrant to any Collector of Public Tax, without first obtaining the Certificate of the Grand Jury, or of their Secretary, of such Collector's having duly entered into the Security required by law.

Ordered—That no person shall in future be admitted to account for any Contract Road or Presentment, but the Person or Persons to whom the Contract or Presentment was originally granted.

Ordered—That in future the Collectors of Baronial Tax shall not be allowed any insolvencies in their accounts, inasmuch as Lands are always productive; and any sums not collected by such Collectors are in future to be returned as Ar-rears and not as Insolevencies, to be re-presented and levied off the respective lands owing same.

SUMMER, 1825.

Ordered—That the several Collectors of Public Cess who shall not have paid into the Treasurer, two days before each Assizes, the full amount of the sums for which they have received the Treasurer's Warrant, pursuant to Act of Parliament, be no longer continued as Collectors.

SPRING, 1826.

Resolved—That we deem it expedient in all Supervisorships to direct, that where there shall be more than one line of road, or different lines or branches of road under Supervisorship, that separate Affidavits be prepared and laid before the Grand Jury in future, of the actual expenditure or sum laid out on *each line* or branch; and we direct our Secretary to observe this Order on preparing such Accounting Affidavits, notwithstanding all said roads being in the same Barony.

Resolved—That the Medical Attendant of each Dispensary shall in future adhere strictly to the form of Account referred to in the Affidavit of the Treasurer, by specifically detailing the various items of expenditure under their respective heads, and that such Medical Attendant do make Affidavit in the following words—

*I have laid in for the use of _____ Dispensary,

not, and will not, use any part of the said Medicines for any
purpose whatsoever, but for the use of the said Dispensary.*

Resolved—That the High Sheriff be requested to furnish a list of the Green Wax Processes now issued, and which may be issued during his Sheriffalty, to the Secretary of the Grand Jury, in order that the Grand Jury, at the next Assizes, may be enabled the better to make the recovered fines, under such Processes, available to the expense of the Constabulary force of this County; and it is suggested to the future Grand Juries of this County, to make a similar request to each succeeding Sheriff.

Ordered—That Superannuated Police applying to the Grand Jury for salary, shall send in to the Secretary of the Grand Jury a Certificate of their having presented themselves to the nearest Magistrate, within one week at least of the Assizes, and such Certificate to be handed to the Grand Jury.

 SUMMER, 1829.

It appearing to us that a list of persons has been, from time to time, prepared, contrary to the Act of Parliament, as Candidates for the Police; we recommend that a new list shall be made out, and that the names of persons recommended by Magistrates at Quarter Sessions only, shall be placed on said list, in conformity with 3 Geo. IV. cap. 108, s. 1.

That we adopt the above Report, and direct the Secretary to communicate it to the Magistrates of the County.

We order and direct that an additional Turnkey be appointed by the Board of Superintendence to the County Gaol, and that the Board make such other necessary improvements as they shall think wanted for the protection of that Prison.

 SPRING, 1830.

Ordered—That Mr. Shearman be now appointed to print the Schedules and Presentments, pursuant to his proposal of 2s. 4d. per page, for the term of five years from this Assizes.

Ordered—That the Secretary do not, in future, receive any Contractor's Accounting Affidavit until every such Contractor enter into the Security and Bond required by Law, for the due performance of their contract.

Ordered—That all Printing be done by contract; and that the Secretary to the Grand Jury shall be empowered to enter into such contracts on the most reasonable terms, until the ensuing Assizes.

Ordered—That two Presentment Books be prepared in future—one for the Baronies, and another for the County at Large.

SUMMER, 1830.
—•••••

The Committee appointed by the Grand Jury to investigate into the claim of George Wright, jun. a Superannuated Police Constable, report to the Grand Jury, that they have referred to the Act of Parliament under which he claims, and have attentively read over the correspondence between Lord Dunsdown, Mr. Gregory, and Major Brown, Deputy Inspector General, and do report to the Grand Jury, that they consider George Wright has a just and fair claim to a pension.

The Committee appointed by the Grand Jury upon the Police Establishment, recommended the following men to be discharged (without pension) from said Establishment, they having been appointed contrary to the Act of Parliament, 2 Geo. IV. c. 103, sec. 24, viz.—

THOMAS FITZGERALD,
JOHN BUDDS,
MATTHEW DARMODY,
LUKE FLOOD,
BRIAN MURPHY.

The Committee at the same time recommended, that it would be but fair and just that one year's notice of such intention should be given; and that in case the men discharged here were capable and properly qualified to fill the office of Constable, they should be appointed in the place of their Fathers.

The Committee further recommend John Holmes, having served for 28 years in the former and present Establishment, and having always been a well conducted man, as a fit subject for Superannuation.

The Committee having examined the Constabulary Accounts, find them perfectly correct for the half year ending the 30th of June, 1830.

We present and appoint a Porter to the County Gaol, at a salary of £20 per annum.

Ordered—That the Magistrates, at Petty Sessions, ascertain the lowest rate of rent necessary to be paid for their accommodation on the several Court Houses.

Ordered—That the Treasurer be ordered not to pay any Contractor who has not entered into the Securities as directed by the Grand Jury.

Ordered—That all Dispensary Accounts be presented at the Summer Assizes only.

We direct the Treasurer to pay to Sir Thomas Esmonde, Bt. John Hawtrey Jones, William Newport, and Francis Wyse, Esqrs. Overseers to a Presentment on the County at large, to make 1677 perches of road from Waterford to Ross, the instalments now due, and those that shall become due.

Ordered—That when Magistrates disagree on any Presentment at Special Sessions, the names of those who approve and disapprove be placed opposite the Presentment on the Schedules of Applications.

SUMMER, 1831.

Resolved—That the several sums now, and which hereafter may be lodged in the Provincial Bank, to the credit of the Foreman of this Grand Jury, be lodged by him to the credit of the Manager of the said Bank, to be by him expended in payment of the several Presentments granted by the Grand Jury at the Spring Assizes, 1831, on the receipt of the individuals to

whom same are due, countersigned by the Secretary of this Grand Jury, and according to the Schedule of such Presentments, to be signed by the Foreman, and lodged with said Manager.

We appoint a Committee to superintend the steps requisite to be taken to recover the Treasurer's deficit from his sureties—

MARQUIS OF ORMONDE,
THE EARL OF OSSORY,
HENRY WEMYS,
WILLIAM BAYLY,
WM. MORRIS READE,
JOSEPH GREENE,
THOMAS NEVILLE,
CLAYTON BAYLY,
ROBERT BUTLER BRYAN, Esqrs.

We present, authorise, and empower James M'Creery, Esq. Manager of the Kilkenny Provincial Bank, to demand, receive, and take, for us, the sum of £5,925:10s.:6 $\frac{1}{2}$ d. from John Waring, Esq. late Treasurer of this County, being the balance due of him, as Treasurer; and, when paid, to give a sufficient receipt and discharge for same.

Resolved—That the thanks of the Grand Jury be given to James M'Creery, Esq. Manager of the Provincial Bank, for his readiness in complying with their wishes, in accepting of the office of temporary Treasurer.

As it appears that the contribution of the Town and Liberties of Callan to the County Taxes has not been collected, from the neglect of appointing any Collector at the present or the last Assizes, whereby no funds for the liquidation of the Presentments of that district are in hands,—It is Ordered, That no part of the levy paid in at this Assizes, shall be appropriated to the payment of Presentments within the Town and Liberties of Callan.

The Treasurer's Resignation.

**MR. CHAIRMAN AND GENTLEMEN
OF THE GRAND JURY,**

From your apparent dissatisfaction of my past conduct, as Treasurer of the County of Kilkenny, and with a hope of appeasing that feeling, I, with the advice of my friends, I hereby tender and surrender up to you my said Office of Treasurer; trusting that no unfriendly feeling may or can exist in your minds against me.

I am, Gentlemen,

Your obedient humble servant,

JOHN WARING.

*To the Foreman of the Grand
Jury of the County of
Kilkenny.*
